

Post Oil Economy

31 JUL-11 AUG

Shuvalan, Baku, Azerbaijan

Summer School will cover the topics shown below:

- Global Energy security;
- The current crisis in oil market and its impact on petro states;
- Post-oil era: prognosis and vision;

About Summer School Program ☀

The lectures are combined with excursions to the regions and international companies, which allow for discussions from a more practical perspective. Language courses and a guided tour to Shaki/Gabala complement the learning experience in order to provide students with a deep insight into the regional life style.

Target group

Students of business administration, economics, engineering, international relations and other related fields

Fee/Costs ☀

-EUR 650

-DAAD scholarships are available for German students:

<https://goeast.daad.de/de/25457/index.html>

-Students from ASOIU are exempt from attendance fee.

Credits Info ☀

3 ECTS
